

A fire broke out around 5:30 p.m. last night at the home of W. Dieckman, 52 Grandora Crescent. It started on the roof, apparently through a short circuit in the wiring, and was soon brought under control by the Fire Department. Extent of damage was not immediately determined. Gazette Photo.

There is nothing like a fire to attract a gang of boys and last night's fire at 52 Grandora was no exception. They aren't perched on the fence but quite a number of grown up boys were on the scene too. Gazette Photo.

St. Albert 100 Years Ago

A Centennial project by Jim Drysdale.

Mr. Drysdale has this week posted three maps as drawn for survey of St. Albert in 1878, at Perrons Store, Veness Service Station and the Town Hall. He would like to trace any people who are descendants of the original settlers whose names appear on the river lots shown on these maps. The Town of St. Albert wishes to honour any such people with the presentation of a scroll. Readers are invited to check these maps and if they have any information on people who had relatives in St. Albert 100 years ago, to write to P.O. Box 67, St. Albert, or telephone 599-6776.

There is also a map on display at the Gazette Office.

Historic St. Albert continues next week with the 1st of a series of articles from Catherine Hughes' book "The Black Robe Voyageur".

Meet the winners of the Who's Who Contest as announced last week. From left are Marionne Valliere, First, Rita Kelly, 2nd and Karen Letourneau, 3rd. Gazette Photo.

Library Board plans move

At their meeting May 4th the St. Albert Library Board decided that Dr. Mirlin draw up a draft in regards to rental of the Lecture Room. The fees for rentals have been set as follows:

- 1) Non-profit organizations will pay janitorial fee (approx \$5.00).
- 2) Organizations which charge fees but operate on a charitable basis - \$10.00.
- 3) Profit organizations - \$25.00.

The Library Board will present a Cultural Evening the first Friday of every month commencing in September.

Mr. Soprovich reported that the Town is tendering for janitorial service for the new Library.

Mr. Soprovich also reported that all the furniture except that for the Children's Reading Area has been ordered.

Dr. Mirlin moved, seconded by Miss Wolnowicz that the deadline for purchasing Library Membership cards will be May 31, 1967. After that date no books will be allowed out without presenting a membership card.

Subscription rates were set as follows:-

- 1) \$1.00 per individual per year.
- 2) \$4.00 per family per year (5 library cards will be issued)

Three books will be allowed on each Library Card.

Dr. Mirlin moved, seconded by Miss Wolnowicz that we publish the minutes of the Library Board meetings in the Gazette.

Mrs. Hesse will be in charge of accepting applications for a part time assistant to the Librarian.

Moved to close the Library from May 20th to June 11th inclusive for the purpose of moving and taking inventory. Mr. Soprovich will obtain some men to help move the books from the present Library to the new building. After the present shelves have been moved, the books stored in the Fire Hall will be moved. These are the books being collected as a Centennial Project.

During the period that the Library is closed membership cards will be available at the receptionist's desk in the Town Hall.

Dr. Mirlin moved that we let the Town handle the insurance on the books. Seconded by Miss Wolnowicz.

With the opening of the new Library the following hours will be in effect: Monday - closed, Tuesday - 7:00-9:00, Wednesday - 2:00 - 4:00 p.m., Thursday - closed, Friday - 7:00 - 9:00 p.m., Saturday - 1:00 - 5:00 p.m.

Town hires new secretary

Mr. John Flemming, age 44, Town Manager of the Town of Hinton, has been engaged as the new Secretary-Treasurer of the Town of St. Albert, to commence on July 1st, 1967.

At a regular meeting of Council on Monday, May 8th, 1967, the Town Council met with Mr. Allen Fraser, a representative of Lamond, Dewhurst, Westcott and Fraser Ltd., Industrial Psy-

chologists, and received his report with regard to the location of a new Secretary-Treasurer. Over thirty-five applicants were received by the consulting firm from across Canada, of which many were of a very high calibre.

In deciding upon Mr. Flemming, the Town of St. Albert will be receiving the services of a very qualified

Administrator and manager with fifteen years in the municipal field, both as Town Manager for the Town of Hinton and Assistant Secretary-Treasurer for the Town of Ponoka. He has been very active in municipal and civic affairs, is past president of the Alberta Association of Urban Municipalities and is currently on the executive of that body, as well as being director of the Municipal Financing Corporation.

Mr. Flemming is married with two children and will be making his home in the Town of St. Albert.

Dianne Sheehan (left) Grade 8 student of Vital Grandin; Christian Sodor, Grade 10 student at Paul Kane and Cheryl Lynn Borle, Grade 12 student at St. Albert High, were the top winners of the ATA sponsored Oratorical Contest at the finals held Friday night. Gazette Photo.

ATA sponsors oratory contest

by Hennie Stibbe. The top public speakers of St. Albert Junior and Senior High Schools competed at a Oratorical Contest sponsored by the St. Albert local of the Alberta Teacher's Association as one of its Centennial Projects. The contest was held in the new St. Albert High Auditorium, Friday evening of last week. The competing students wrote their own informative and interesting material which they delivered beautifully.

Chairman for the evening was Mr. Bob Prather. The adjudicators were Mr. Eric Candy, well known Edmonton actor and T.V. personality, Mr. Robertson, of the Edmonton Junior Chamber of Commerce and Mr. Jack McCreath, Supervisor of Drama, Government of Alberta. The students were judged on gestures, enthusiasm, audience reaction, delivery and material content. All ten contestants were presented with a medal.

Winner in the level 4 contest was 12 year old Dianne Sheehan, a grade 8 student at Vital Grandin, Dianne, who lives in Villeneuve, chose as her subject "A Job We Can Do". The other speakers in this division were Colleen Kelly and Donald McLaughlin. Contestants in level 5, students attending grades 9 and 10, were Jan Donalds, Christian Sodor and Andrew Werner. Christian Sodor, a grade 10 student at Paul Kane won top honours in his division with his talk on Canada's next 100 years.

Level 6, students attending grades 11 and 12, saw four speakers competing: Dorothy Humbert, Margo Ostergaard, Barbara Savoie and winning contestant Cheryl Lynn Borle, a grade 12 student at St. Albert High. Cheryl Lynn gave an amusing talk on "Little Problems". The three winners were presented with lovely trophies which will be put on proud display at their schools.

The sizeable crowd of parents and fellow classmates attending the contest were given an opportunity to view a fine display of "Canadiana" prepared by students attending the different St. Albert Schools. The work on display included a lovely Centennial quilt, a map of Canada, beautifully done in mosaic tile, an Indian village, posters, scrapbooks and numerous other items. A great deal of work and thought has gone into this work, and the teachers and students are to be congratulated.

One item which caught our eye, was this delightful bit of prose by a grade one student.

THE BEAR
The bear eats honey,
He sleeps all winter.
When he waks up he gets cubs.
He stops eating in winter.
He gets skinny when he stops eating.

who gave a great deal of her time to the organizational details.

On Saturday next, May 13th wind-up rallies will be held at 3:00 p.m. Pedal Pushers who have been attending sessions in the Grandin Park area will congregate in the gymnasium of Sir George Simpson Junior High School. Those who attended sessions in the Sturgeon Heights and Braeside districts and at St. Albert High School should meet in the Sir Alexander Mackenzie School.

Election Rally

Considerable interest is being shown in the four-candidate election rally being held next Tuesday (May 16th) in the St. Albert Community Hall. This meeting is sponsored by the St. Albert and District Chamber of Commerce and will provide an opportunity for each candidate to state his views and following the meeting, to meet the audience informally over a cup of coffee. Mr. Bill Penrose will chair the meeting and a large turnout is expected.

MR. EMIL BUSSCHE - Water Meter Reader in St. Albert in the official uniform decided upon by the Town for easy identification as he calls at local homes. Starting this week Mr. Bussche will wear this smart new uniform while on duty for the Town. Gazette Photo.

Maccagno visits constituency

by Hennie Stibbe. "It's nice to meet you", says Mike, as he shakes your hand. And while you are only one of the many hundreds of people he has met on his bus tour of Northern Alberta, the smile is genuine, the handshake firm. For the Hon. Mike Maccagno likes people. And it soon becomes apparent, as on his whirlwind visits to Morinville and St. Albert last Wednesday evening, that people like him.

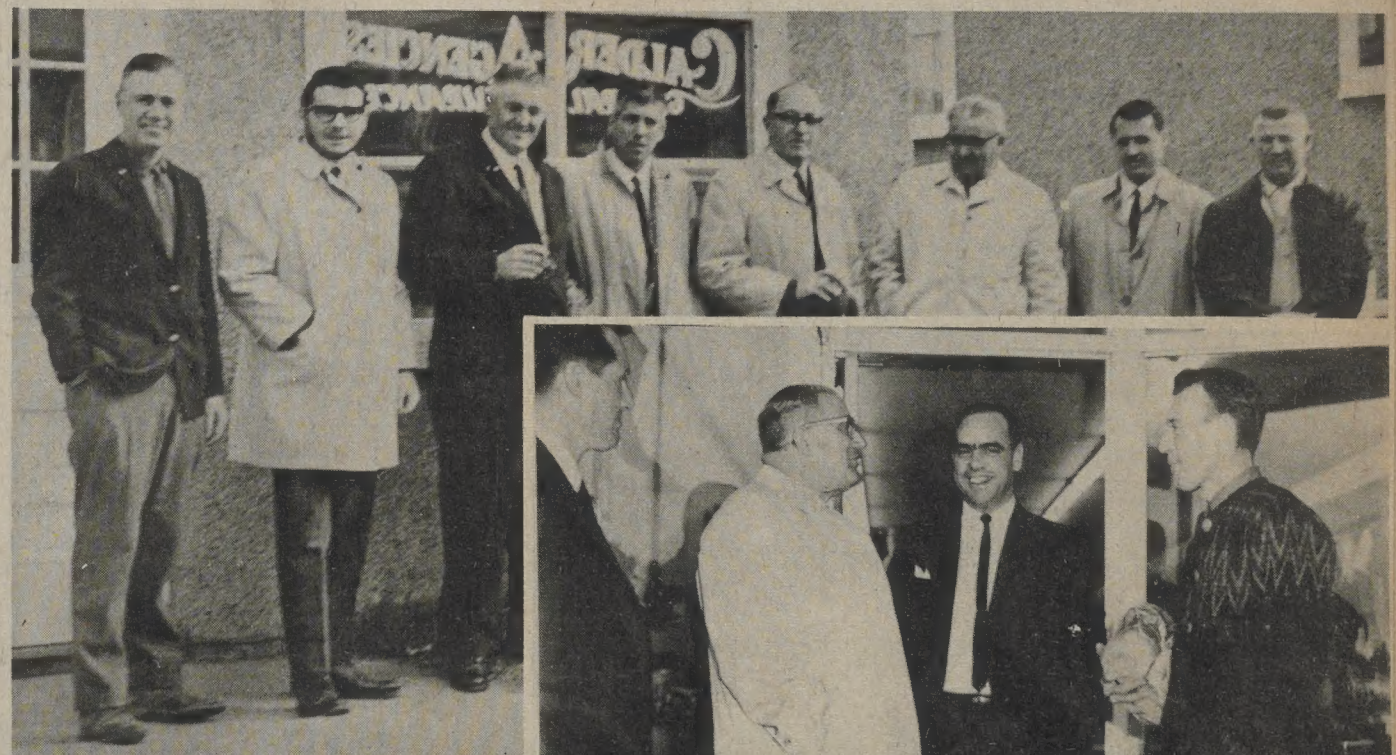

Mr. Maccagno, who has been travelling throughout the Northern part of the province in a special bus, spent several hours visiting merchants and chatting with shoppers in the business areas of both centres

The big bus, equipped with among other things a bed and a desk, and plastered with election posters on the outside, proved to be quite an attention getter.

In Morinville "Mike" was met by Mayor Henry Ramsey, Art Soetaert, Louis Chalifoux and other well-wishers including Liberal candidate Robert Russell. The supporters went main-streeting with Mr. Maccagno, who proved to be a real campaigner as he went from place to place, charming all he met. Following a quick lunch with his entourage he dropped in at the Board of Trade meeting, where he was briefly introduced before leaving for St. Albert.

Mr. Maccagno, was accompanied by Mr. Robert Russell, Liberal candidate and Mr. Gerald Torpy, President of the St. Albert Liberal Association, on his St. Albert visit which included a brief stop at the Town Hall, where the Court of Revision was in progress.

Mr. Maccagno, who admitted to being "a little bit bushed" after a long day on the Campaign Trail, said he felt the Liberals stood a very good chance of taking the St. Albert riding. He said Mr. Russell's campaign is one of the best organized campaigns he has come across and felt with the large group of good workers Mr. Russell has behind him, he can't lose.

In Morinville Mr. Maccagno is photographed with J. McRae and Robert Russell on his left and Mayor Ramsey, Louis Chalifoux, Art Soetaert, Paul Chalifoux and Lou Calder on his right. At right he stops to chat with Gert Peterson and shopper Brian O'Kell of St. Albert.

Photos by Jeet Khullar and Gazette.

The citizens of St. Albert can be justly proud of our wonderful new swimming pool in Grosvenor Park. It is well designed and set in an area which through the years should develop into one of the most attractive scenic parts of our town. It has been placed specifically to give a certain degree of privacy and with adequate parking space at the rear. A closed pool during the summer months has many disadvantages and let us hope for some really fine weather this summer so that we can make full use of the many advantages of our handsome outdoor pool.

We regret to have to report however, that since the pool was "unwrapped", there has been some vandalism in the form of foreign objects being thrown into the water. The pool belongs to the people of St. Albert and it is up to each citizen to protect the property.

This can be done by using the pool for the purpose for which it was intended and by ensuring that our children and young people respect the property for which their parents are paying.

May we remind would-be users of the pool that the deadline for purchasing season tickets through your water bill is May 31st. Good swimming, everybody.

PEDAL PUSHERS

As you read this, the Pedal Pusher Club will be in the second and final week of its operation. If popularity is any gauge then this programme can be considered highly successful. Over 500 children have been taking part in the sessions which have been held on Monday, Wednesday and Friday.

The response of parents to an appeal for instructors was most gratifying and made the entire operation relatively smooth-running in spite of the large number of participants. The help of so many of our young people in the project is also very much appreciated. Special mention must be made of Mrs. Joyce Loos, President of the Welcome Wagon Club,

Senior Citizens

On the last Friday in April a most enjoyable party was held in the Clubhouse honouring those of our senior citizens who celebrated their birthdays in April. A large birthday cake was the centre of an attractive lunch table and ladies from the Welcome Wagon Club very kindly acted as hostesses for the afternoon.

Entertainment was provided by friends from the Bonnie Doon Friendship Centre and the conjuring tricks, songs and recitations were very much appreciated by all.

The next social occasion will be the Mothers' Day Tea to be held in the Youville Home on May 12th.

Getting some facts straight

by Keith Everitt,
Social Credit Candidate.

By the time the election comes around on the 23rd of May, I'm sure no one will be able to say that this has been a dull campaign. So far some of the criticism of the Provincial Government has been constructive, but there is some advertising done by my opponents which leaves a lot to be desired. I must comment on an ad by the N.D.P. which reads "If the Socreds can let industry lease land for 25¢ an acre, why can't they do the same for Alberta farmers". This may not be a complete lie but it is complete misrepresentation. Here are the facts:

Total Tar Sand Area - 7,810,000 acres.
Leased to Great Canadian 4,522 acres or 6/100 of 1% of total acres.

Yes, there is an interim rental of 25¢ an acre until the plant gets into operation, then the rate becomes \$1.00 an acre. Great Canadian will pay a royalty of 8% on the first 900,000 barrels per month of production and then it jumps to 20% or 1/5 of all the oil produced in excess of 900,000 barrels a month. From this one little patch of tar sands (6/100 of 1%), the government will receive 5 and 1/2 million a year or over \$1200

per acre per year which is considerably different than the N.D.P. propaganda of 25¢ per acre.

The Liberal candidate advertises that his farm background enables him to understand the farmers situation. I would suggest that if he is elected to represent St. Albert constituency the farm people of the area would get greater sympathy and understanding from Ann Landers than they would from the Liberal candidate. His experience in farming and agricultural activities is nothing short of a big laugh.

Considerable criticism has been made that the Alberta Government only spends 1.5% of the total budget on agriculture. Let's look at the figures and then compare these with Saskatchewan.

Alberta expenditures on agriculture - \$17,699,176.

Saskatchewan expenditures on agriculture - \$11,500,000. The Alberta agriculture budget does not include the vote of \$326,840 for 4-H as this has been transferred to Youth Department. Also for agriculture but included in the Public Works vote is - \$8,129,000 for Agricultural and Vocational Colleges, also \$3,700,000 for a consolidated laboratory for Edmonton.

It is interesting to note that Saskatchewan cut their agri-

Continued on Page 10

NDP policies at the local level

by Dr. Norman G. Dolman,
N. D. P. Candidate.

The voters in the St. Albert and Sturgeon areas are concerned about several local issues, and although this is a PROVINCIAL ELECTION, the policies of the New Democratic Party would have much effect at the local level. We have stated clearly our province-wide policies covering everything from agriculture to natural resources, but I will now state what effect these policies will have right here at home.

THE TAX ASSESSMENT: Everyone is concerned about the recent increased assessment in the Town of St. Albert, and about the high rural taxes. We believe that the education part (approximately 50%) of the taxes should be removed from property and placed on the general taxation system. At first, it would seem that the government would be taking it out of the left pocket instead of the right, BUT we are the ONLY party which has made a firm commitment to implement the recommendations of the Carter Commission on Taxation.

As a Provincial Government we will press for implementation of these recommendations which will save the average family 10 - 15% on their income taxes by spreading the income tax burden more fairly.

It has been said by Joseph A. Pechman, director of economic studies for the Brookings Institute, that if the Carter Commission recom-

endations were implemented, Canada would have the best tax system in the world.

THE OTHER PARTIES ARE STILL HEDGING.

NATURAL RESOURCES:

Because we have stated that the wealth of Alberta's natural resources - in particular those in the Athabasca Tar Sands - should belong to the people of Alberta, we will, starting 4 years from now, be able to plough this profit into the Alberta Treasury, in the same way that Social Credit does with the

Continued on Page 10

Community identity

by Stan Walker,
Conservative Candidate

Last week I discussed the basic weakness in the approaches of the other candidates to the coming election. This week I propose to outline my stand on community identity as one of the significant issues in this election.

The philosophy that "local autonomy should be increased, rather than decreased" is tremendously significant as it is related to the affairs of this constituency. The existing government has so structured its agencies that the majority of the decisions made by local authorities are subject to scrutiny and/or rejection by provincial authorities. In fact, the municipal appeals tribunal as proposed by the present Minister of Municipal Affairs in the new Municipal Act goes

A policy for the farmer

by Robert Russell,
Liberal Candidate.

Our farmers still provide the basic industry in Alberta and yet their problems have been all but ignored by the Socred government. The budget contains less than 2 percent for agriculture and yet it is in government services where we can do most to assist the farmer.

There is no question that the farmer is working harder today, producing more and getting less for his product in relation to his expenses of operation than any one else in the Province.

Because we must sell our farm products on the world market there is little we can do to control the selling price other than to make sure that the marketing of the farmer's product is done in a most efficient manner.

Because the farm machinery manufacturer has had a 40% increase in labour costs in recent years, it is going to be very difficult for machinery dealers to lower their prices. Indeed, it is the advances in farm machinery and technology that have enabled the Alberta farmer to become one of the most productive in the world.

can however, assist the farmer by LOWERING HIS COST OF PRODUCTION and it is in this field that I feel I can make a real contribution to the farmers of this district.

CROP INSURANCE - We should recognize the increase in productivity that has taken place during recent years and base our insurance coverage on the potential productivity rather than on long term averages. Crop insurance should also apply to any crop that a farmer grows for revenue or feed and it shouldn't matter whether it is rape seed that is hailed out while in the windrow or a root crop. If it is a crop then it should be insurable and this is a practical way in which we can take the dips out of the farmers economic business cycle.

SPECIALIZED FARM SERVICES - When our next University is built, it should be placed in the St. Albert area and include a farm services

OUR READERS

have their say

UNLIMITED TAXES

Dear Sir:

A correspondent last week supported Government handling of St. Albert Town finances and assessments.

He says that we benefit from a \$500,000 debt and that equalization of assessment has helped us as a dormitory town.

Is this a new "funny money" theory that we benefit from a municipal debt? The Social Creditability gap is getting wider. How has equalization of assessment helped St. Albert as compared to Sherwood Park where the "equalization" is 25% less?

Our horizons are limited but our taxes in St. Albert are unlimited under Social Credit.

I J. J. Huberdeau.

A VOTE FOR LIBERALS OR CONSERVATIVES IS A VOTE FOR SOCIAL CREDIT.

You want proof? Here it is. The Edmonton Journal, May 4th, page 29, stated: "He (Mr. Maccagno) went to visit Jon Scott, who collected 500 votes for the Conservatives in the by-election. The Conservatives are not running in Edson this time around, but Mr. Scott will probably swing his support behind Mr. Switzer. And this time 500 votes could be pretty important."

That links up the Liberals and Conservatives.

During the recent legisla-

tive sitting we saw the link between the Liberals and Social Credit clearly in the way Mr. Maccagno sided with Mr. Manning against Garth Turcott. Of course, the Liberals are trying to wriggle out of that one (to listen to them these days, you would think that the judicial inquiry was their ideal).

The truth of the matter is that the Liberals had the information on the same cabinet ministers several years ago and did nothing with it. WHY?

To get to the local scene - I noticed in last week's Gazette a letter from Mr. John de Bruijn advising the electorate to vote Social Credit.

A month or two ago he was in the running for the Liberal nomination.

What goes on, anyway? Is there a tie-up between the Socreds, Liberals and Conservatives?

Are they that afraid of the New Democrats?

Norman G. Dolman

A BIASED REPORT

To the Gazette readers, especially those in the Morinville District.

As the Social Studies teacher at Thibault High School in Morinville, I would like to thank the Gazette for carrying the report about the 4-party political forum held at Thibault School on April 27th.

However, since it was my intent from the very beginning

to make it a truly unbiased learning experience for my social studies students, I can't help but comment on the biased report that resulted.

Drs. Horner and Dolman, and K. Everitt received adequate coverage of their speeches, with apt quotations in context, to reveal the truth of their discourses; but the Morinville Editor saw fit to quote Mr. Russell, the Liberal candidate, out of context, ignore the theme of his talk, and "hodge podge" the remainder of the paragraph, by summarily dismissing ideas Mr. Russell touched upon in a series of curt, unrelated sentences.

Paul A. Chalifoux, B. Ed.
Morinville.

3 PARTIES LINKED

Dear Sir:

Mr. J. de Bruijn in a letter to the Editor (May 3rd edition) has defended and praised the Social Credit record in St. Albert. During his five years on Town Council he has been very critical of the Socred Government and its policies' effects on St. Albert. In commenting on the increased assessment in St. Albert, he recently accused the Government of making Towns pay for rural areas.

I therefore ask Mr. de Bruijn---should we believe what you said over the last five years or what you said in your letter?

Gerald Torpy.

The Liberal Election Platform

SEND ROBERT RUSSELL FROM YOUR CONSTITUENCY TO HELP MIKE MACCAGNO FIGHT FOR THE FOLLOWING POLICIES.

EDUCATION AND YOUTH:

1. Expand and improve educational facilities & programs
— More Junior and Community Colleges.
— better programs for adult education and retraining
— publicly supported kindergartens for 5-year-olds
— provide sufficient University facilities and finances so that ALL qualified students will have the opportunity of a University education.

2. Provide for the recreational needs of the younger generation.

HEALTH AND WELFARE

1. Provide medical health services to everyone in Alberta
2. Extend medical care coverage to include drugs and dental care
3. Re-establish confidence in the Department of Health.
4. Re-instill a sense of dignity into welfare recipients by providing educational and employment facilities to enable them to improve themselves and become useful to the community.
5. Establish an effective program of educational training for our people of Indian ancestry to provide them with the opportunity of becoming equal citizens in our community.

HIGHWAYS AND TRAFFIC SAFETY

1. Establish a Motor Vehicles Accident Claims Agency for quick settlement of accident claims.
2. Insist on complete low-cost automobile insurance, without discrimination against the young
3. Provide additional provincial highways
4. Provide more provincial money for roads and bridges in towns, cities and municipalities.

AGRICULTURE AND RURAL RESOURCES

1. Spend a larger part of the provincial budget on agriculture — for expanding research, soil testing, seed analysis and farm counselling
2. Provide low-cost loans to help young people start their own farm units
3. Provide a better break for farmers under the Right of Entry Arbitration Act.
4. Extend crop insurance, geographically and in amount.

PROPERTY TAXES AND MUNICIPALITIES

1. Establish a tax system that does not discriminate against home improvements
2. Lower property taxes for the home owner by shifting the education burden to the provincial government
3. Maintain local government in the hands of the citizens of the area.

RESOURCES

1. Establish a Department of Northern Development
2. Provide better conditions for industrial development
3. Provide more secondary and processing industries in Alberta
4. Provide a better system of provincial parks.

GOVERNMENT

1. Establish a code of ethics for members of the Provincial Legislature
2. Separate the Attorney General's office from any other office or department.

SCHOOL DISTRICT SECRETARY-TREASURER

\$7,500 - \$10,000

This is the senior non-teaching position in our rapidly growing School District. Reporting to the Superintendent of Schools, the Secretary-Treasurer is responsible for the business administration of the District, including Budget, Supervision of non-teaching staff, Administration of Collective Agreements, Plant Operation, Purchasing and Transportation, and he will be involved in Planning of new facilities.

QUALIFICATIONS: Candidates should have a sound knowledge of public accounting principles and, ideally, extensive experience in school administration, personnel and public relations areas.

Reply in confidence not later than May 19th, 1967, enclosing a resume of education and experience to—

MR. W. A. PENROSE, Secretary-Treasurer,
St. Albert Protestant Separate School District No. 6
60 Sir Winston Churchill Avenue,
ST. ALBERT, Alberta.

Important Notice Alberta Provincial Election May 23rd 1967

ELIGIBILITY TO VOTE

You are eligible to vote if:

- You are a Canadian citizen or British subject on 14th April, 1967.
- You have attained the age of 19 years on or before polling day, May 23rd, 1967.
- You have been a resident of Alberta for the twelve months prior to 14th April, 1967.
- You were, on the 14th April, 1967, a resident of the constituency in which you will be voting on 23rd May, 1967.

ADDITIONS TO THE VOTING LIST

The list of voters was officially posted on May 8th, 1967. If, for any reason, you feel you have been omitted from this list, contact your local returning officer. Additions to the list may be made until they close on May 19th. Arrangements may be made with the Deputy Returning Officer for additions to the list at the polls except for those in the cities of Edmonton, Calgary, Medicine Hat and Lethbridge.

ADVANCE POLLS

Advance polling places will be established by

Returning Officers to accommodate those electors anticipating difficulty in voting on May 23rd. The Advance Polls will operate on Thursday, May 18th, Friday, May 19th and Saturday, May 20th, between the hours of 2 - 5 p.m. and 7 - 10 p.m. If you wish to vote at this time, apply to your local Returning Officer for an ADVANCE POLL VOTING CERTIFICATE.

ABSENTEE STUDENT VOTERS

Students absent from the constituency in which they normally reside due to their attendance at an Alberta University, Technical Institute or Junior College may vote for their home representative at polling stations to be established at these institutions prior to May 23rd. Wives of such absentee student voters residing with their husbands, and therefore similarly absent from their home constituency, are also eligible to use this facility.

DAYLIGHT SAVING TIME PLEBISCITE

Voters attending the polls on May 23rd will also be offered the opportunity of voting for or against the observance of Daylight Saving Time within the province.

- May 16 - Political Meeting - Four Candidates - St. Albert Community Hall, 8:30 p.m.
- May 18 - Political Meeting - Four Candidates - Bon Accord Hall, 8:30 P.M.
- May 18, 19, 20 - Advance Poll for all St. Albert Constituency Voters.

Arthur Stapleton, accompanied by Lioness Rhonda had a very busy week on official Lion business in the last while. He travelled solo to Lethbridge where a Board of Governors meeting was held. Then on Friday of last week, both Mr. and Mrs. Stapleton attended the sixth anniversary of the Two Hills Lions Club. Last week-end they attended the District 37B Leadership Convention at the Kingsway Motor Hotel in Edmonton, when 69 delegates took part in the panel discussions. On Monday evening of this week, the Morinville Lions visited the Gibbons Lions Club.

Mrs. Antoinette Found was the winner of the beautiful oil painting raffled by the Morinville C.W.L. last Sunday. Pourers at the spring social were Miss Carol Hittinger, Miss Frontier Daze of Morinville, and the five Princesses vying for the honours of Queen for 1967: Miss Geraldine Morris, Colleen McDonald, Stella Killian, Shirlene Hillman and Jeannette Bauwens.

On the sick list at press time were Mr. Ernest St. Laurent, Mrs. Phillippe Heemryck, Mrs. Bertrand Dostie, Mrs. Hector Ricard and Mrs. Dan Ricard.

Mrs. Alphonse Nobert is

reported resting at home after a stay in hospital.

Mr. and Mrs. Joe St. Laurent Sr. are taking an extended holiday at the home of their son, Joe, in the Peace River district.

Mr. and Mrs. Leopold Kerchof of Mearns are the proud parents of a baby girl, Martina Maria. Godparents are relatives in Europe, but were represented at the baptism ceremony by Mr. and Mrs. Firmin Boddez. Congratulations to the happy parents.

At the annual meeting of St. Charles Parish, CWL council Mrs. Joe Byers was re-elected by acclamation.

Last week-end a Rally for members of YCS from Busby Riviere Qui Barre and St. Charles was held at Mearns.

On Friday, May 12th, the pupils from Thibault school, grades 1 - 6 inclusive will hold their Mother's Day concert at 7:30 sharp at the school auditorium.

Grade 8 pupils have another new teacher Mr. Donald Cyr, a University graduate.

Mr. Maurice Bugnet of Mearns has taken over the Esso Agency at Clyde. His

Sturgeon Trustees meet Apr. 11-12

Present were: School Trustees Messrs. Austin, McDonnell and Wilson; Superintendent A. E. Kunst; Secretary Treas. C. Krauskopf; Recording Sec. J. B. McDermott; Municipal Representative, L. Kluthe. Mr. A. Lesburg was absent. The Chairman Mr. Wilson, called the meeting to order at 9:00 a.m. It was moved that the minutes of the meeting held on March 14, 1967 be approved.

brother Mr. Joseph Bugnet from the Peace River has moved to Clyde, and is now a partner in the business enterprise, Mr. Lucien Bugnet, son of Maurice Bugnet is now the Mearns district Esso agent.

On Monday May 15th, 1967 the Morinville 4-H Cool Spoolers Clothing Club will hold their first annual Achievement Day in the Morinville Centre to show the work they have accomplished within their year. A cordial invitation is extended to all citizens to attend at 7:30 p.m. and there is no admission charge.

Mr. Wilson reported on proceedings of the budget meeting held on March 20th and on the Caretakers' Workshop held on March 29th at the Namao School which was well attended and appeared to have been worthwhile.

Mr. Austin reported on Principals' and Vice Principals' meeting held on March 29th.

Mechanical Reports on the Camilla, Namao and Horse Hill Schools, as prepared by Vinto Engineering and submitted by John McIntosh & Associates were presented and ordered filed for information.

Mr. Austin was asked to represent the Board at the meeting of the Village of Gibbons on April 12.

Meeting adjourned for lunch at 11:50 a.m. and reconvened at 1:15 p.m. with all present except for Mr. Lesburg.

Mr. Bedard distributed his maintenance report for the month of March, 1967.

It was moved that the Report be accepted.

It was moved that the list of Accounts for the month of March be approved for payment.

The Secretary Treasurer distributed a list of bus operators that attended the recent Bus Driver Seminar.

It was moved that the Bank Statement for the period ending March 31, 1967 be accepted.

SUPERINTENDENT'S REPORT:

MATH INSTITUTE: It was moved that the Board approve of Sturgeon Teachers in the elementary level attending the Mathematics Institute organized by Gage Limited, consultants at Westlock.

INSTITUTE:

It was moved that the Board approve the holding of an Institute on April 28th at the Thibault School and that all schools in Sturgeon School Division be closed on this day.

FIRST AID COURSE:

Mr. Kunst advised the Board that Mr. Austin had brought this matter up at the Principals' Meeting and that it had received a favourable response, but preferably in the fall of 1967.

The meeting adjourned at 5:40 p.m. and reconvened at 9:00 a.m. on April 12, 1967 with all members except Mr. Lesburg present.

INTERNSHIP PROGRAM:

Mr. Voghell who attended a two-day seminar at Barnett House, reported that Sturgeon's present pattern is good and indications are that six teacher interns will be participating this year.

Morin-Chevalier wed in Morinville

A lovely spring wedding was celebrated in St. John Baptist Church in Morinville recently, when Miss Joanne Chevalier, daughter of Mr. & Mrs. Ubald Chevalier of Morinville, and Mr. Paul Morin son of Mr. and Mrs. Arthur Morin of Legal, were united in a double ring ceremony performed by Rev. Father George Primeau, pastor, before an altar decorated with baskets of yellow and white mums.

The bride, given in marriage by her father, chose an original Moonlight Sonata bridal gown fashioned in princess style, with long cathedral train. A bandeau of Lily of the Valley held her floor length veil of French illusion tulle and she carried a cascade of yellow sweetheart roses, with bud trimmed streamers.

The two bridesmaids, Miss Denise Chevalier the bride's only sister, and Miss Denise Morin sister of the groom, wore identical gowns of white nylon chiffon over yellow satin

complimented by floor length chiffon capes and headbands of white and gold satin braid. Each carried a cascade bouquet of white mums and yellow streamers.

The best man was Mr. Remi Morin, brother of the groom. Renee Chevalier, brother of the bride, was also a groom attendant. Wedding music was played by Mrs. Leon Riopel and the soloist was Mrs. Yvette Labbec of Edmonton.

A reception for some 190 guests was held at the Morinville Centre, followed by a wedding banquet when Mr. V. Cote from Cadillac, Saskatchewan, Uncle of the bride, was the master of ceremonies. The Toast to the bride was proposed by Mr. Richard Lavasseur of Port Alberni, B.C. cousin of the bride.

Following a wedding trip to Banff and Jasper Mr. and Mrs. Morin will make their home in Legal district.

KEEP ALBERTA MOVING AHEAD WITH SOCIAL CREDIT!

for the best years of your life

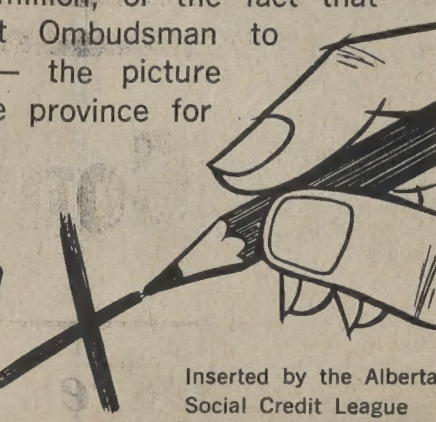

Alberta is on the move! Here is a zest and enthusiasm that's found nowhere else in Canada. Alberta's past record is impressive, but the years ahead will prove to be even greater. There's optimism and excitement in the air — with good reason! Every year sees dynamic steps forward — the implementation of new and progressive plans of action to benefit every Albertan.

Consider progress in Alberta! The Alberta Health Plan, with its comprehensive benefits; the continuing

orderly development of the province's vast natural resources, and legislation that gives a 75 percent rebate on estate taxes, but still keeps the province sales tax free. Whether you're looking at the Government's education program that involves expenditure of over \$275 million, or the fact that Alberta has Canada's first Ombudsman to safeguard human rights — the picture is clear — Alberta is the province for the best years of your life!

Oratory contest Legal students

Parents and students gathered in the School Auditorium

on April 23rd for the annual "Concours Oratoire"

(Oratory Contest) an evening of French public speaking.

This event is held every year to inspire the parents and students to be proud of their French language. To open the program a

Salute to the Canadian Flag was recited by all the contestants followed by a word of welcome by Sister Blanche. She also introduced

the judges: Sister Agnes-Joseph, vice-principal of Thibault School in Morinville, Sister D. Simard who is completing her twentieth year of teaching in Legal and Mrs. Ben St. Martin a substitute teacher in Legal.

The M.C. for the evening was the president of the students union Miss Emilie Prefontaine. Poems were recited by the students from grades one to nine and speeches were given from grades ten to twelve. While the judges were evaluating their scores Father Ricard and Mr. Paul Chauvet addressed the audience.

The winners were announced by Mother Agnes-Joseph. For grade one, George VanDeWalle, grade two Michel Courseaux, grade three Anita Chauvet, grade four to six (girl) Doris Auger, (boy) Denis Nault; from grade seven to nine (girl) Nicole Cyr, (boy) Denis Letourneau.

The winners for the speeches were: grade ten Henri Charrois and Carmen Prefontaine, grade twelve was Louise Coulombe.

The trophies were presented by Mayor Leon St. Martin.

The certificates with prizes and diplomas were presented at different intervals during the evening.

THE GAZETTE, Wednesday, May 2, 1967

The four high school students, winners of the Oratory Contest. Left to right - Louise Coulombe, Carmen Prefontaine, their French teacher; Henri Nault and Nicole Cyr.

The students who received certificates and prizes were: Grade 3 - Louise Caouette and Patricia Morin; Grade 4 - Sylvia Charrois, Yvette Boisvert and Dolores; Grade 5 - Lionel Deslauriers, Carmen Bois; Grade 6 - Cecile Van de Walle; Grade 7 - Carmen Prefontaine and Jeanne Regimbald; Grade 8 - Louise Regimbald and Bernice Mercier; Grade 9 - Adele Krauskopf; Grade 10 - Emilie Prefontaine, Rogelle Auger, Simon; Grade 11 - Louise Coulombe and Marguerite Pilon.

United Church News

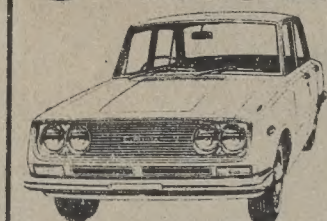

Sunday, May 7 became a "Layman's Sunday" in the St. Albert United Church. In the absence of the minister, both morning services were conducted by Mr. G. Tookey, a member of the Session of the Church, while the address for each service was delivered by Mr. Arthur Ralphs, who chose as his topic "The Image or the Church?" The topic was both timely and challenging in these days when Public Relations and Advertising seem concerned with the "public image" to the exclusion of much else.

Mr. Musto, Miss Dorothy Humbert, Mr. and Mrs. Eric Page and Mr. Ken Pollon, all members of the congregation, attended a "Presbytery Planning Fellowship" at Pigeon Lake over the week-end.

Next Sunday is Mother's Day, or as it is known in the Church "Christian Family Day". Anyone desiring to have their children baptized should contact Mr. Musto as soon as possible. The church is busy with other plans also. On Friday and Saturday the Geneva Unit of the U.C.W. is holding its Centennial Project, a bedding plant sale, with top-grade plants from Tyler's Greenhouses. In June, the Senior Choir, under the direction of Mrs. Lillian Upright, is planning a Centennial Concert, and would welcome additional singers to its ranks, with rehearsals each Thursday evening at 8:15.

Closer to home, the ladies of the church are holding a clean-up day on Thursday this week with volunteers requested for both morning and afternoon "bees".

Sturgeon Council meeting

Councillors G. Rye, W. Flynn, Kluthe, W. Van d D. Bevington; s Superintendent and Secretary - . Nobert, alker called the order at 9:20 a.m. etary Treasurer ncil of the dates ing meetings: ND PUBLICOUNTS:

The accounts as submitted by the Secretary-Treasurer to Council for payment authorization were as follows:

Public Works: total amount \$12,280.81, General Accounts \$7,504.78 making a grand total of \$19,785.59. The detail of said accounts is listed at the back pages of these minutes.

Moved that the Council authorize the payment of accounts as submitted except the

invoices for \$1,362.00 and for \$199.92.

Monthly Financial Statement as presented was adopted.

REPORTS:

PUBLIC WKS. COMMITTEE:

Mr. W. Van de Walle, chairman of the Public Works Committee read the report of the Committee's meeting held on April 6, 1967.

Moved that the Office prepare gravel control statements to be used by the gravel contractors and checkers as recommended by the Public Works Committee. Said statements are to indicate the location of the road gravelled, number of yards to the mile, name of contractor, location of the gravel pit and name and number of yards of each trucker.

Moved that the Agricultural Fieldman be in charge of road side seeding and the Public Works Superintendent advise the Fieldman in writing the roads that should be seeded or of any new road construction completed.

Moved that the Public Wks., Committee investigate the feasibility and cost of installing underground fuel tanks at the M. D. shop.

Moved that the meeting adjourn at 12:15 p.m. and to reconvene at 1:30 p.m.

Reeve Walker reconvened the meeting at 1:15 p.m. with all Council Members present

Mr. Stack Superintendent of Public Works read his report to Council indicating the various expenditures on roads to date. As of March 31, 1967, \$18,721.83 had been paid in wages as compared with \$20,035.15 for 1966. Snowplowing this year cost \$20,697.50 as compared to \$26,326.00 for 1966.

Moved that the Council receive the Superintendents report as submitted.

FIRE PROTECTION COMMITTEE:

Mr. Kluthe, chairman of the Fire Protection Committee, gave a brief report on the meeting that the Committee

attended with the Town of Morinville Council. He stated that the Morinville Council had four basic reasons for not accepting or approving the agreement as prepared by this Office. Said reasons are as follows (1) \$500, rental to be paid on the first year instead of having 3 years rent free, (2) Objected strongly of having only 4 (four) firemen paid when at rural fire calls, (3) Rate of pay per hour to the firemen was not sufficient especially in regard to the Fire Chief and Assistant Fire Chief and that an extra hour of pay be allocated to clean the equipment after a fire service call, (4) Town Insurance Liability policy not to cover the firemen when on a Municipal District Fire service call but these men are to be assured of Municipal Insurance coverage.

A joint meeting of the Fire Protection Committee with representatives of Legal, Gibbons, Morinville and St. Albert, is to be held on April 20, 1967, at 8:00 p.m. in the Municipal Office at Morinville STANLEY ENGINEERING, 8908 - 99 STREET, Edmonton.

Mr. Otto Van Deurs, P. Eng. representative for the above mentioned firm attended the meeting. He stated that his Firm specialized in survey profiles and engineering of road construction. Said Company utilizes a special piece of equipment to analyse the texture of dirt, location of soft spots and compaction required on roads, which is called deflection survey apparatus.

HOSPITAL DISTRICT:

Mr. John Devereux, M. D. representative of the Board of Directors for said Hospital District attended the meeting and submitted an exceptionally good report on the operations and financial position of the Fort Saskatchewan Hospital. Mr. Devereux also gave a resume of the 1966 Hospital Financial Statement.

Moved that Council extend a vote of thanks to Mr. J. Devereux for his well presented report.

DOMINION BRIDGE:

Mr. Tempest was in attendance at the meeting in re-

gard to Municipal culvert requirements for 1967. The Reeve informed Mr. Tempest that this Municipality had booked all its culvert requirements for 1967 but if additional culverts were needed during the road construction period such orders will be directed to his Company.

ROAD STABILIZATION:

1029 - 7th Street S.C. Calgary.

Mr. D. Frank Pearson, consultant for said Company, attended the meeting and showed a short film on the use of a recently developed product called Paczyme. It is designed for, on site stabilization of existing native soils to be used in the construction of roads, parking lots etc. Said product if manufactured by Marblex Corporation Ltd, Edmonton, Alberta.

The Council thanked Mr. Pearson for his very informative film on road stabilization.

REQUESTS:

Letter from Kellough Realty Ltd. offering for sale to the M. D. Lots 1-9 and 24, Block 1, Plan 5968 AH, Glenlyon Subdivision, for the price of \$16,000.00.

The Council agreed that at the present time this Municipality had no plans to acquire said land for Municipal Purposes.

Perma Tubes Ltd. had telephoned requesting the Council to consider the cancellation of one half of their taxes for 1966 on the buildings that burned, June 16, 1966. The Secretary Treas., informed the Council that one half of the 1966 taxes on said buildings would amount to \$670.84 and that a by-law would be required which would then be subject to Minister's approval

It was moved that the above mentioned request be not granted by Council, to the owners involved.

The Assessor requested that Council delete the building assessment on the described farm property as said house was vacant on October 31, 1966, and used as a farm building.

Moved that Council delete the building assessment on the N. W. 24-56-27-4 for the reason as stated above.

MEETING RECONVENED

APRIL 14th, 1967:

Present: Councillors G. Wilson, L. Rye, W. Flynn, S. Walker, L. Kluthe, W. Van de Walle, D. Bevington and Sec. Treas., A. Nobert.

Reeve Walker called the meeting to order at 9:15 a.m.

REFERENCE:

Moved that Mr. Morrison be given a letter of reference from this Office stating that his employment was terminated by Council on January 16, 1967, not until the general assessment was completed. Upon completion of the general assessment said position was discontinued for the reason that this Municipality required only one assessor to carry out its annual assessment.

MARINE PIPELINE -

Re: Rainbow Pipeline:

Mr. Stack reported to Council his investigation of said pipeline road crossings which had been filled with heavy pit run gravel which contained very large stones that were creating a public hazard on the road. He had contacted Marine Pipeline and Dredging Company's foreman and advised him to have all said stones removed from all the road crossings that had been filled and only to use crushed gravel in the future to which said Company foreman agreed to abide.

Moved that the Council authorize the Reeve and Secretary Treasurer to sign an agreement with Marine Pipeline and Dredging Ltd. whereby said Company will assume liability for the gravel and

repair of the Rainbow Pipeline road crossings in the M. D. of Sturgeon No. 90, for a period of six months after spring break-up of 1967, and that the necessary work be carried out by the Municipal District and invoiced to Marine Pipeline and Dredging Ltd. at 703 - 48 Avenue, N. E. Calgary.

VILLAGE OF LEGAL:

The Reeve informed the Council that he had authorized to lend the Village of Legal the M.D. Fire and Spray truck an emergency basis until the Village Fire truck had been repaired.

Moved that the Council confirm the Reeve's action on authorizing the Village of Legal to use the Municipal Fire and Spray truck on loan basis until the Village Fire Truck was repaired and subject to the conditions the Village of Legal be responsible for any damages or repairs on this M. D. Unit and to any public liability claims while in the Village's possession, which is to be until May 1, 1967.

Letter dated 11, 1967, from the Secretary Treasurer of the Village of Legal was read to the Council asking the Municipality to consider selling the above described unit to the Village and at what price.

It was moved that the Village of Legal be advised that the Municipal Fire and Spray truck is not for sale.

VILLAGE OF LEGAL -

RE WATER RESERVOIR:

Letter from the Secretary

of the Village of Legal was read to the Council requesting the M. D. Council to consider granting financial assistance towards the construction of the Legal Dugout, which has been started by the Village in conjunction with the P.F. R.A.

It was moved that the Council request more detailed information on the total actual cost as compared with the estimated cost of said project.

RE: GRAVEL PURCHASE:

Mr. Gervais requested Council's permission to purchase 15 loads of crushed gravel (approximately 105 yards) from the M. D. Gravel Stock at the Villeneuve gravel pit.

Moved that the Council approve Mr. Herb Ertman's application for a loan to purchase the N.E. 2 and S.E. 11-57-1-5 for the price of \$15,000.

Moved that Council approve the gas pipeline road crossings at the following locations.

W/N.W. 28-55-22-4,
N/N.E. 33-55-22-4,
W/S.W. 3-56-22-4,
S/S.W. 3-56-22-4,

N/N.W. 21-56-22-4,
W/N.W. 12-56-22-4,
N/N.W. 12-56-22-4,

Moved that the Council authorize the Reeve and Secretary Treasurer to sign the Memorandum of Agreement with the Department of Agriculture in regard to the A.S.B. 1967 - 68 Tentative Budget.

POINT:

If you call "socialism" wanting low cost government auto insurance, public development of the Tar Sands and public ownership of utilities ...then O.K. — we're socialists.

And so are the governments of Canada, Ontario, B.C., Saskatchewan, Quebec, etc.

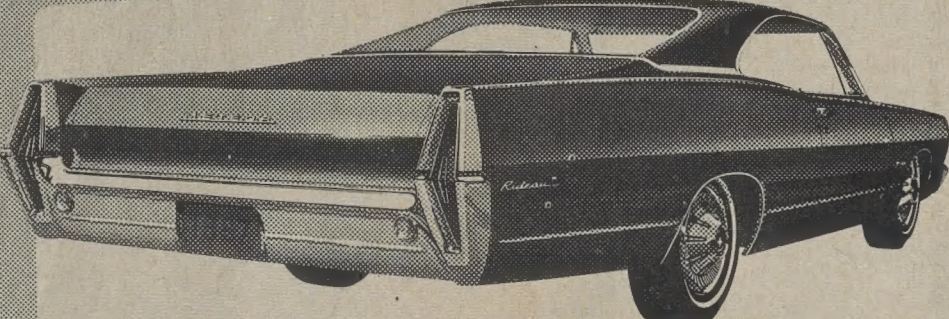

Seems like everyone's out of step except Mr. Manning...

OMISSION TO ASSESS SECTION 55:

Alberta Wheat Pool of Legal one cribbed annex, which was built and in operation as of October 31, 1966, but omitted on the assessment roll.

Moved that the Council direct the Assessor to assess the improvements, consisting of one cribbed annex, which was built and in operation as of October 31, 1966, but omitted on the Assessment roll, to Alberta Wheat Pool of Legal and that the Sec. Treas., place such assessment on the assessment roll and advise the Chief Provincial Assessor accordingly.

ADBY CO. LTD:

Mr. Hodson of the above mentioned Company requested Council to consider designating certain municipal roads from Provincial Highways serving various Towns, Villages and Hamlets having the same maximum weight as the adjacent Provincial Highways.

It was moved that the Company concerned be advised that all Municipal Rural Roads have the same maximum weight of 55,000 pounds unless posted permitting a lesser weight is in accordance with the Act.

STERLING COAL:

Mr. M. P. Curcio of said company informed the Council by letter that they had three piles of gravel situated on the Munson Farm consisting of 10,977 yards of pitrun, 881 yards of 3/4" crush and 4,450 yards of 2" crush and for a total of 16,308 cubic yards at \$1.40 per cubic yards F.O.B. site.

Moved that Council advise Sterling Coal Valley Mining Co. that this Municipality has an ample supply of stock pile crushed gravel on hand at the present time.

ROAD NAMING:

Letter from Mr. Curial, dated March 31, 1967, was read to Council requesting Council to give further consideration on naming the road adjacent to his property, Curial Avenue, or if the Council does not favour said name, he would then suggest the name Ravine Road.

It was moved that Council authorize Mr. Curial to name the road adjacent to his property, Ravine Drive, and that he be held responsible for the posting of said road as

Breakdowns squeezing your profits?

Keep machinery on the job with our Texaco Farm Products

Breakdowns mean downtime — for both men and machinery. They cut into crop yields — and profits.

Best way to avoid breakdowns? Texaco farm products—timely service and lubrication for every piece of

equipment on your farm. They help you increase equipment life and cut maintenance costs... decrease fuel consumption... keep equipment on the job.

Protect your machinery with the finest petroleum pro-

ducts—from Texaco: Marfak Lubricant, Havoline Motor Oil, Multigrade Lubricant EP, Regal Oils for hydraulics, Fire Chief gasoline.

If you're not using our Texaco Farm Products, let's talk it over.

Edmonton, Alberta.

Dear Sirs:
I own a fur coat, and I was looking for a place to store it for the summer. I started making the rounds of storage places and wasn't too impressed with what I saw till I came to your fur storage vaults. Trudeau's have left nothing to chance... their vaults are automatically refrigerated and humidity controlled, and fur coats aren't crowded together. I had a talk with your furrier and he told me about the care and consideration given to furs. I would definitely recommend Trudeau's Storage Vaults as the best anywhere.

Sincerely,
S. Noga

Legal 4H girls Achievement Day

The Legal 4-H Clothing Club held its annual 4-H Achievement Day on April 19th, in the Recreation Centre. A display of their year's work was put up by the girls along with their project books. Their articles were judged during the day by Miss Marilyn Oke district home economist.

In the evening the display was opened to everyone interested with a large group attending. The Club was pleased to welcome visitors from Bon Accord and Morinville.

For the program the members had prepared an interesting and original skit. It was staged at a 4-H rehearsal meeting before Parents Day, with the leader portrayed by Sylvia Auger and the members as the pupils. The skit outlined the year's work and outings.

They stated that their classes had started in late September. At Christmas time the members held a party to which they could invite a friend. The junior leader had the opportunity to give an illustrated talk on wardrobe planning on T.V. In February they had "Parents Night" with a formal tea and their junior leader showed slides on her trip to National 4-H Club Conference.

March 10th was public speaking night, it was quite an experience for the first year members. Five senior girls had the opportunity to model an Easter Fashion Parade on C.F.R.N.- T.V. Bowling and curling were other activities.

Sylvia Auger was chosen M.C. at the girls rally at the Sportex on March 20th, an honour for the Club. The final event which completed a full year of hard work and different outing was the colourful and successful Golden Centennial Rally on April 23rd.

Then two members were asked to give an illustrated talk entitled "Pop Goes A Button", this was presented by Corinne Bergevin and Wendy Montpetit. Cecile Caouette and Corinne Bergevin entertained us with a vocal number. There was also a bit of modelling on the scene followed by a demonstration on "Table Setting" given by Lucy Montpetit and Irene Theberge.

A knock on the door brought Miss Oke on the scene, she congratulated the girls on their year's work and gave them a few project pointers. The girls were waiting with anxiety when Miss Oke finally announced the winner for the best first year project book to be Corinne Bergevin and the best sewing went to Dolores Prefontaine. The winners received identical silver plated coffee spoons. The Ladies of St. Anne then presented first year members with 4-H pins, second year members received coffee spoons with the 4-H insignia, third year members were given coffee spoons with the Centennial Emblem, and a cup and saucer with the beautiful Centennial Rose pattern was offered to the fifth year member (junior leader).

Legal highlights

MAY 11 - Surface Rights Meeting, Community Centre 8 p.m., Political Meeting, 4 Candidates attending, Community Centre, 8:30 p.m.

MAY 14 - Piano Recital School Auditorium 2:00 p.m.

MAY 15 - C.W.L. Monthly Meeting Rec. Centre.

MAY 22 - School Trustees Meeting, Committees of the whole

MAY 23 - Alberta Election Day, Polls Open from 9:00 a.m. till 8:00 p.m. Remember your duty to Vote. Vote as you please but Vote.

MAY 24 - Local Board District School Meeting.

Modelling the clothes they made themselves as a 4-H project are: (first row left to right) Dolores Prefontaine, Wendy Montpetit, Rose-Marie Chauvet, Irene Theberge, Rita Tieulle, Cecile Caouette, Irene Tieulle, (second row) Corinne Bergevin, Sylvia Auger, Simone Demers, Lucy Montpetit and Rachel St. Martin.

Legal LOCALS

The Legal community would like to express their deepest sympathy to Mr. & Mrs. Tony Lestar on the recent death of Mr. Lestar's mother, Mrs. Eva Lestar, who passed away at the age of 62 years at Oberpfaffmuen, Germany. Mr. Lestar attended his mother's funeral with his oldest son Henry.

Mr. and Mrs. Maurice Montpetit from Slave Lake were visiting friends and relatives in Legal last week-end.

Mr. and Mrs. Leo Regimbald with their son Robert, have left for Expo with the Legal group. "Bon Voyage".

The Music Students of Legal under the direction of Sister A. Corriveau will hold their annual recital at the school auditorium on Sunday, May 14 at 2:00 p.m.

Mr. and Mrs. Paul Berube and Mr. and Mrs. Albert Lema of Villeneuve were guests at the home of Mr. and Mrs. G. Montpetit.

Mr. Albert Bilodeau's children and grandchildren turned out last Sunday to celebrate Mr. Bilodeau's 86th birthday. We wish you many more.

The group of Legal students accompanied by 3 teachers left Saturday evening on the C.N.R. at 7:45 p.m. for Montreal to spend a week at Expo. Have a nice trip "gang".

Mr. and Mrs. Wm. Demers have sold their farm to Mr. Louis Demers. Mr. and Mrs. W. Demers have moved to Jasper where Mr. Demers is presently employed.

Everyone interested in politics is invited to attend a political meeting in Legal at the Community Centre at 8:30 p.m. Thursday, May 11th. The four candidates of the different parties will be taking part. To vote conscientiously and to do this, one must be well informed, so take this opportunity to hear the candidates which might help you to vote on May 23rd. Vote as you please, but please vote.

A crowd of 300 people from Legal and the surrounding districts gathered at the school auditorium on Sunday

Legal arena has good year

The Arena one of Legal's Centennial Projects closed out for the winter season after a four month span of operation. The hockey program and the use made of the arena for picnic skating attracted tremendous enthusiasm.

The first season of operation was very satisfactory in every respect. The arena was used for a number of sports besides skating purposes. A wholesome hockey program from mites to Senior A's furnished the fans with exciting games. Figure and beginners skating lessons were offered, local broomball games with neighboring towns created a great deal of interest, as did hockey tournaments and last but not least our first two day carnival proved to be very successful.

Parade of Cowboy Champions will thrill rodeo fans

**CHAMPIONS WILL BE IN
ST. ALBERT - JUNE 17th
AND 18th**

Every sport has its cham-
pions and the sport of rodeo
is no exception. Some of the
finest cowboys in the world
hail from the Province of
Alberta and we thought it
might be of interest to take a
look at the fine array of
Canadian champions for 1966
and who they are. A champion
is the winner of the most
money for the year in any one
of the approved events at
association approved rodeos,
as recorded in the Canadian
Rodeo Cowboys' Association

championship standings.

The All-round Champion is
the highest honor a cowboy
may receive and is awarded
each year to the contestant
who received the most points
in the five major events, and
who has placed at least three
times in the Saddle Bronc Rid-
ing, three times in the Calf
Roping and three times in any
one of the three remaining
major events, Bareback Rid-
ing, Brahma Bull Riding and
Steer Wrestling. Tom Bews
of Longview, Alberta, is a
comparative newcomer to ro-
deo having joined the profes-
sional ranks in 1964. During his
first year of contesting,
Tommy put in a strong bid for
the events he worked, Placing
third in the All-round, fifth in
the Saddle Bronc, and tenth
spot in the Steer Wrestling.
Needless to say, he made his
presence felt and showed that
there was championship mat-
erial in this young, competi-
tive cowboy.

During the 1965 season,
Tom also made his presence
felt but it was during 1966
that he really showed his true
colors. Tom won the 1966 All-
round Canadian Championship
and he stood third in the high
point event, second in the
Saddle Bronc event and fifth
in Calf Roping and sixth in
Steer Wrestling. Tom Bews
also won the All-round event
at Rodeo 105 held in St. Albert
last year. This young cow-
boy's talents are highly diver-

sified and he is just liable to
step up and claim the Canadian
title again in 1967.

The High Point Champion-
ship is awarded to the cowboy
who wins top money in any
two of the five major events.
Thirty-seven year old Rocky
Rockabar of Medicine Hat who
is one of the most colorful
performers to watch, claimed
the title in 1966. Rocky
appears to have a leaning
toward the High Point Cham-
pionship as he won it for the
years 1962, 1964 and 1966. He
was a dual winner in 1964
winning also the Saddle Bronc
event for that year and is
also a very strong contender
in both the Bull Riding and
Steer Wrestling events.

The 1966 Saddle Bronc
champion was 21 year old
Wayne Vold, who is perhaps
one of the most versatile
young cowboys in the business
today. The son of a well
known rodeo stock contractor
Harry Vold, young Wayne has
been involved in the rodeo
business since an infant. His
professional career started in
1961 when he won the Cana-
dian Amateur Bronc title, and
has since been consistently
in the top ten until 1965 when
he won the Canadian Saddle
Bronc Championship. Wayne
Vold also excels in two other
events, namely Wild Cow
Milking and Steer Wrestling.
No stranger to the St. Alb-
ert corral is 25 year old

Malcolm Jones of Lethbridge
who is one of the toughest
bareback riders in the arena
today. Malcolm, who won this
event at last year's Rodeo
105, is a three time winner
of the Canadian Bareback
Championship for the years
1963, 1964 and 1966. Although
he excels in bareback riding
Malcolm also enters the
Saddle Bronc and Steer Wres-
tling competitions.

The most dangerous and
spectacular of all the events
is Brahma Bull Riding. The
Brahma Bull is unique among
all stock used at a rodeo in
that unlike the saddle or bare-
back horse, who once having
unseated their adversary, will
run off. This is not true of the
Brahma who is literally a
potential killer and who will
instinctively turn on a fallen
rider, if it were not for the
rodeo clown whose job it is
to divert the animal away.
A bull rider is also at another
disadvantage as compared to
the saddle or bareback horse,
he is left to his own means
of dismounting rather than
having the advantage of a
pickup man.

Thirty year old Gid Garstad
has been challenging the bulls
since 1956. He won the event
for the years 1958 and 1959
and was runner up for the
years 1960 and 1963. Gid
again took the championship
for the years 1964, 1965, and
in 1966 was again Brahma
Bull Riding Champion. To be

a champion bull rider, a cow-
boy must possess four qual-
ities - strength, an exception-
al sense of balance, a great
deal of raw courage and a
healthy respect for his bovine
opponent. With a record like
Gid's, one could almost say
that the bulls have developed
a healthy respect for this
professional cowboy.

A relative newcomer to the
parade of champions is Fred
Duke who tied down his first
championship by becoming the
1966 Calf Roping Champion.
Fred, who hails from Calgary,
Alberta, specializes in this
colorful event and has been
competing professionally,
since 1961.

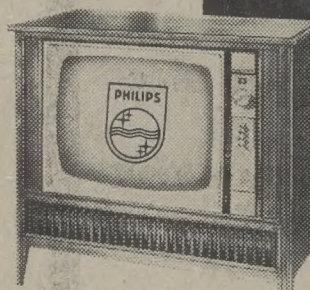

A real ambassador for the
sport of rodeos, is 42 year old
Harold Mandeville of Leth-
bridge, Alberta, who has been
competing professionally,
since 1946. Harold, who has
tried every event but the
Saddle Bronc, now confines
his talents to Calf Roping and

Steer Wrestling and in 1966
he pinned down the Steer
Wrestling Championship. It is
no wonder the name Mandev-
ville is widely known through-
out Canada and the United
States, for twenty consecutive
years this cowboy has never
dropped lower than tenth po-
sition in any of the events he
has worked. A strong sup-
porter of St. Albert Rodeos,
Harold will be again returning

this year to compete for
prize money.

Rodeo 106 is just six
weeks away from being
reality. These Champions
all be returning to the
Albert Corral to compete
the total prize money of
\$2,000, added. Plan on see-
ing the Champions in action
bring a friend too - remem-
ber St. Albert Rodeo 106, June
16th to 17th.

"WHY DO I SUPPORT KEITH EVERITT?"

From a candid interview with Bill Veness

(Mayor of St. Albert - 1950-1965)

"His personal and political integrity is beyond reproach..."

"He has always made himself available to anyone who wished to see him..."

"Keith respects the rights and beliefs of all people, and represents all people fairly as equal constituents"

"Keith works hard at being an M.L.A. fifty-two weeks of the year...
he gets the facts on the issue and then exercises mature judgement"

"I personally solicit and urge your support at the polls for Keith Everitt..."

Walker for entering the race. We were both candidates in 1959. I consider Stan a close friend and have been able to work with him over the years as he has been Reeve of the M.D. of Sturgeon. The one thing we have in common is a continuing battle against the Socialist move which continues to threaten our free enterprise system of Government. Back in 1949 Sir Winston Churchill had this to say Quote: "Today the Socialists boast that they are the opponents of Communism, Socialists parties in every European country have been found altogether inadequate barriers against it. Indeed, . . . they are the handmaids and heralds of Communism, and prepare the way at every state and at every step for its further advance. The Communist textbooks are full of this theme; they have been for

years. Of the differences between socialism and communism, if I may make another quotation from the past, I said a good many years ago: A strong dose either of socialism or communism will kill Britannia stone dead, and at the inquest the only question for the jury will be: Did she fall or was she pushed?"

ROBERT RUSSELL

branch that would serve the farmers of the district. We should have a mobile farm service van that would call on each farmer on a regular basis that would provide on the spot soil testing, seed analysis and farm counselling. We should also provide an emergency mobile unit for farm animal service to help take the pressure off our busy veterinarians.

DRYING PLANTS - The drying and storage of fodder

crops is a major problem in Northern Alberta and we waste enough fodder each year to pay for a drying and storage plant. The province should dip into its huge reserves (that belong to the people anyway) and provide the capital to build drying plants for grain and fodder.

LOWER TAXES - The Socred government says the province is debt free and yet our towns and municipalities are facing increased assessment and taxation. The cost of interest alone on the money our towns have to borrow is a crushing debt. It's time we took a hard look at the Socred money policy and gave some of the money back to the people in a practical way that will lower property taxes.

LAND TITLES ACT - If elected, I will bring in a resolution at the next session calling for a new Land Titles Act spelling out the long ignored principle that a farmer owns all the soil beneath his land and the air above. I will also bring in a resolution to up-date legislation on RIGHT OF ENTRY, ARBITRATION, and RECLAMATION.

ROADS AND HIGHWAYS - Edmonton is the centre of population of Alberta and yet we do not have an East-West provincial highway north of the city. This has been needed for many years and would provide a service for the farmer that would lower his cost of operation. Since the province would pay for the cost of building and maintaining the highway, it should also result in lower taxes for the municipality.

There are practical policies of action that the farmers of the district have suggested to me during my visits throughout the constituency during the last six months. Many details have to be worked out, but at the very least, it is a beginning in solving some of the basic problems of a hard working people who have given much to our Alberta.

DR. DOLMAN
Continued from Page 2

liquor profits, and reduce the taxes still further. If these policies are not

carried out - and the other parties cannot carry them out because they are too much involved with the large companies - your taxes will keep on increasing - there is no other solution!

TOWN OF ST. ALBERT.

St. Albert is a suburb and must be treated as such. As a government, the New Democrats will give to St. Albert and the few other towns close to the cities of Edmonton and Calgary, A CASH GRANT to replace the income from industry which we in St. Albert will NEVER get because we cannot compete with the City of Edmonton.

RURAL TOWNS:

The policies of the New Democrats will ensure that secondary industry is brought into towns such as Legal, Morinville and Gibbons, ensuring that these towns do not die because of the migration of the farmers to the city. This will create work for them and for their children, thereby ending the ridiculous situation where more than half the people in Alberta live in Edmonton and Calgary while there is such tremendous living space throughout the province.

LOCAL ROADS:

At one point, the Liberal candidate promised a road linking Highways 2 and 28 North. When he was elected to the School Board he promised to pave the road to Paul Kane High School, which, 3 years later is still unpaved. If he cannot pave one 300 yards long, how does he propose to pave a road 10 to 15 miles long?

One word to the voters: Whenever you get a chance, ask the candidates where they propose to get the money from to carry out the promises they are making.

They cannot get it from the Natural Resources because they are too much involved with the big companies which are exploiting them now.

Do we keep digging a little deeper into our pockets?

STAN WALKER
Continued from Page 2

planned industrialization program. As long as local authorities continue to require government aid for local projects, the Social Credit Government will continue to take this as a cue to centralize authority for local decisions. If communities can become economically self sufficient, they will be able to resist this trend.

How does a community get enough money to build its schools, pave its streets and roads, and provide those other services which its residents request? Certainly not through residential taxation or farm taxation which is generally the case in the St. Albert Constituency. As your elected member, I would work toward the establishment of a non-profit crown corporation to aid in the development of secondary industries throughout the province rather than in the two large urban centers as has been the case up to the moment. This corporation, which would be financed through the sale of debentures to the Province of Alberta, would assist industry in selecting, purchasing, and developing plant location sites. In this way industry would be diffused throughout the province and so-called "have not" areas would receive benefits which would enable them to satisfy their present needs and to look forward to a brighter future than now seems possible. The young

A clean sweep

by Hennie Stibbe.

Five young lads staged their own private war against dirt last week. The boys, Jim Powell 9, Bruce Benzel 8, Dennis Johnson 7, Randy Johnson 9 and Albert Vanoni 10, had all heard their parents talk about the dusty, dirty street. So the fellows, who all live on Gladstone Crescent, decided to do something about the situation. For a whole week, every afternoon after school and some evenings for a while after supper, these youngsters broom swept the whole of Gladstone Crescent, including both sidewalks and the road, as their Centennial Project. Jim Powell said one of the reasons the boys decided to stage their clean-up campaign was because "it was real dangerous with all the gravel on the street. It sure made your bike slip." Randy Johnson said it was real hard work, but they would "probably do it again when the street got dirty again." Gladstone Crescent sure looked all ship-shape thanks to five young boys!

Father Houde enjoys Expo

Father Houde returned last Tuesday from Montreal where he had the opportunity to spend several days visiting Expo. He was enchanted and said no words could describe the beauty and the knowledge of different countries that could be gained by touring the various pavilions. The hostesses were very courteous and greeted you in a very charming way that made you feel most welcome. He feels Expo will create a better understanding between countries and that we should be proud of our country and to be Canadians.

What will the Conservative Party do Differently?

• 1

Replace the Welfare State with the Knowledge State.

• 2

Make sure that each person capable of benefitting from a University Education will have a University TO GO TO and the MONEY to go with

• 3

Stimulate Northern Economy through Development of Primary Resources and Agriculture

• 4

A major accelerated program to establish a large number of High Quality Camp Grounds and Recreation Areas

• 5

Double the advertising and promotional Expenditures by the Provincial Government on behalf of the TOURIST INDUSTRY

• 6

For young people we propose the Development of a Youth Hostel Program similar to those of European countries.
